EASY DOSING WITH
PIPETTE

MINISUN® D3 DROP 80 IU WITH OLIVE OIL

INDICATION: Vitamin D3 drops to ensure the daily intake of vitamin D.

PRODUCT DESCRIPTION:

Easy-to-use, organic extra virgin olive oil based vitamin D3 drops especially for babies. Also suitable for older children and adults. Contains well-absorbed form of vitamin D. Vitamin D promotes teeth health and normal bone development and growth. Vitamin D also contributes to immune system support. Easy dosing with pipette.

The product does not contain milk ingredients, alcohol, yeast, sugar, lactose, coloring and preservatives.

PACKAGE SIZE: 10 ml. 10 ml is equivalent to 330 drops x 80 IU/drop.

INGREDIENTS: Organic extra virgin olive oil, cholecalciferol (vitamin D3) preparation, antioxidant (alpha-tocopherol).

DOSAGE AND INSTRUCTIONS FOR USE:

5 drops a day or as directed by doctor. Shake before use. Drops may be administered with a spoon or mixed with food or drink. Avoid touching food or drink with the pipette tip. Do not exceed the recommended dose.

The daily dose of 5 drops contains 400 IU (10 mcg) of vitamin D3.

STORAGE: To be stored at room temperature not higher than +25°C away from light and moisture. To be used within 2 months after opening.
